Kirkwood is operated under permit from the USDA Forest Service, Eldorado National Forest. The USDA prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs and marital or family status. (Not all prohibited bases apply to all programs.) To file a complaint, write the Secretary of Agriculture, U.S. Department of Agriculture, Washington, DC 20250, or call (866) 632-9992. Persons with disabilities who require alternative means for communication of program information (braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

TRAILS ARE NOT PATROLLED DURING SUMMER OPERATIONS

EMERGENCY SERVICES: 911

TAMBA Mountain Bike Trail Etiquette - Ride Your Bike Responsibly, and, we'll all be happier and keep trails open to everyone.

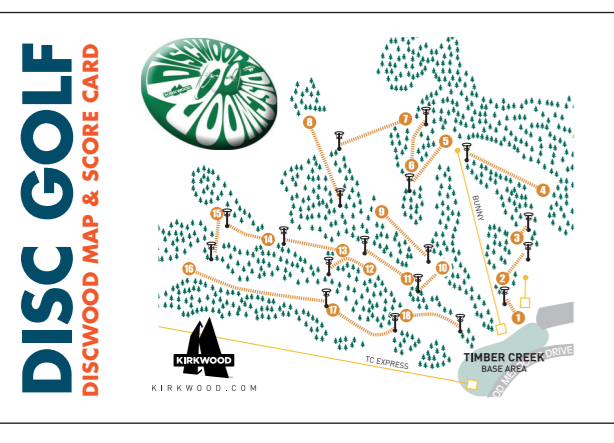

- Ride Open Trails:** Respect trail and road closures. Ask a land manager for clarification if you are uncertain about the status of a trail. Do not trespass on private land. Obtain permits or other authorization as required. Be aware that bicycles are not permitted in areas protected as state or federal wilderness.
- Leave No Trace:** Be sensitive to the dirt beneath you. Wet and muddy trails are more vulnerable to damage than dry ones. When the trail is soft, consider other riding options. This also means staying on existing trails and not creating new ones. Don't cut switchbacks. Be sure to pack out at least as much as you pack in.
- Control Your Bicycle:** Inattention for even a moment could put you and others at risk. Obey all bicycle speed regulations and recommendations and ride within your limits.
- Yield Appropriately:** Do your utmost to let your fellow trail users know you're coming. A friendly greeting or bell ring are good methods. Try to anticipate other trail users as you ride around corners. Bicyclists should yield to other non-motorized trail users, unless the trail is clearly signed for bike-only travel. Bicyclists traveling downhill should yield to ones headed uphill, unless the trail is clearly signed for one-way or downhill-only traffic. In general, strive to make each pass a safe and courteous one.
- Never Scare Animals:** Animals are easily startled by an unannounced approach, a sudden movement, or a loud noise. Give animals enough room and time to adjust to you. When passing horses, use special care and follow directions from the horseback riders (ask if uncertain). Running cattle and disturbing wildlife are serious offenses.
- Plan Ahead:** Know your equipment, your ability, and the area in which you are riding and prepare accordingly. Strive to be self-sufficient: keep your equipment in good repair and carry necessary supplies for changes in weather or other conditions. Always wear a helmet and appropriate safety gear.

DISC GOLF

Experience disc golf at 7,800 feet. Praised as one of the most challenging courses on the West Coast that weaves through trees and over mountainous terrain. The Discwood Golf Course is located at Timber Creek base area. Pick up a scorecard and map at the General Store, The Lodge or use the online version provided below.

DISC GOLF RULES OF PLAY

1. **RESPECT YOUR ENVIRONMENT:** Please keep the area clean and follow posted rules. The wilderness is a natural resource. Do not litter. Stay on paths after discing them from right angle to respect the dirt.

2. **COURTESY:** Do not throw until the previous player has finished their throw. Do not throw until you are ready to throw. Do not throw until you are ready to throw.

3. **THE SHOTS:** Players must throw from within the designated line area. A line is drawn between the disc and the marker is placed.

4. **OBSTACLE SHOTS:** The forward foot at the time of release, must be made from on the line. A line is drawn through the hole in the hole.

5. **COMPLETION OF HOLE:** The hole is complete when the disc is in the basket or supported by the chain.

6. **OUT OF BOUNDS:** If a disc is out of bounds, it must be played from the last place it was last seen or played from the last place it was last seen.

7. **THROWING ORDER:** Lowest score on previous hole has first throw. After the throw, the player whose disc is in the hole has the next throw. If there is a tie, the player whose disc is in the hole has the next throw.

HOLE	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	TOTAL
PAR	3	3	3	3	3	3	3	3	3	3	3	3	3	3	3	3	3	3	3	27
FEET	315	235	225	460	230	250	260	295	400	210										

BIKING
